

KÄRCHER

makes a difference

EASY CLEANING WITH CART TO SKID FLEXIBILITY.

Teton Series – direct drive, Kärcher powered cold water pressure washers.

TETON SERIES

Cleaning versatility and durability.

Corrosion-resistant and lightweight, Kärcher's direct drive, Teton Series aluminum pressure washers can be utilized as a cart or a skid for maximum cleaning versatility and durability. These reliable Kärcher powered pressure washers offer a 4-year engine warranty, bypass loop for additional pump protection, 7-year pump warranty and flat-free tires.

1 Modular design

- Can transition from cart to skid (with skid feet accessory) design for versatile cold water cleaning applications.

2 Mobile and durable

- Low profile handle is easy to push and pull.
- Flat free tires are puncture proof.
- Weld free, corrosion resistant aluminum frame.
- Reliable Kärcher commercial-duty gasoline engine with a 4-year warranty.
- Durable VRT3 unloader with bypass loop diverts water flow when trigger gun is not activated.

3 Adaptable

- Can be fitted to the HD Pallet Skid with a 50 gallon water tank and 100' hose reel or the HD Pallet Skid with two 100' hose reels. Mild steel skid fits within a standard UTV / ATV bed. See optional accessories for more information.

Technical data and equipment.
