

## Critical Filter Vacuums

The Minuteman x839 Vacuum Series is ideal for the safe and economical removal of hazardous and toxic materials, nuisance dust and fine powders.

The Minuteman x839 Vacuum Series is available with polyethylene, stainless steel or painted tanks to best suit your needs. This series is easy and economical to use. The Tanks: Standard as dry only units, 15, & 55 gallon vacuums have wet/dry recovery capabilities with an optional 1:1 adapter and water shut-off. The 55 gallon vacuum is equipped with a painted tank, dolly and handle for easy maneuverability.
