

GD930

Silence meets power

NILFISK

Vacuum anytime, anywhere day or night

You'll unlock brand new levels of productivity so that you can clean any space faster and more efficiently than ever before - yet it is also quieter than ever, allowing you to clean anytime without disrupting anyone. The GD930 is ideal for intense daily use by contract cleaners in retail, institutions, hospitality, and offices.

Durability that's meant to last

Improving on perfection

Clean quietly Clean anytime, anywhere, day or night without disturbing anyone. Extremely silent in relation to its power.

Avoid costly repairs and downtime Seamlessly and quickly replace the detachable cable by any operator.

Get cleaner air Boost filtration by up to 10% with certified HEPA filter and fleece bags.

Save time and lower costs Use fewer bags with 15-liter net filling capacity dust bags. Vacuum longer without having to change bags.

Powerful performance Outstanding suction and optimized airflow increase performance while delivering on efficiency.

Your go-to for uninterrupted business operation

Cleaning in sound-sensitive areas with unmatched power
