

REINVENT HOW THE WORLD CLEANS

T260

Small Walk-Behind Scrubber

Cleaning Made Easy

The T260 provides a simple solution for cleaning in small spaces. Featuring a single start-stop button for quick, straight-forward operation and a 20 inch scrub head for exceptional productivity.

Easy to Maneuver

Clean small, congested areas with a compact, easy-to maneuver design allowing operators high visibility.

Intuitive Controls

Simple-to-use controls reduce operator training time.

User-friendly Design

Simplify daily maintenance with a large recovery tank opening, enabling full access and visibility.

Inside the T260

- 1. Excellent water pick-up** with parabolic squeegee with standard Linatex® blades.
- 2. Straightforward operation** with push button Start-Stop control and battery meter display.
- 3. Simple to clean out** with easy access and visibility into the tanks.
- 4. Floating splash guard** controls water spray to maximize water pickup, helping to keep floors dry.
- 5. Simple brush/pad change out system.**
- 6. Easy daily maintenance** with yellow touch points to help reduce breakdowns.
