

BOLT TO QUICKLY STRIPPED FLOORS

Built for durability and reliability, these single-speed and dual-speed floor machines can handle any task.

Built for durability and reliability.

The Bolt floor machine can tackle any task. Look no further if you need a floor machine to help you get your restorative work completed quickly. Featuring a robust motor, startup and run capacitors, cord strain relief and a stronger handle housing, the Bolt will not let you down. Our Bolt low-speed and dual-speed floor machines are high quality, durable machines offering power and versatility for scrubbing and stripping. It features an adjustable handle height to accommodate various user heights and the five inch non-marking wheels allow for easy transportation.

1 Floor machine built for durability and reliability

- Robust motor for everyday reliability
- Separate start and run capacitors for durability
- Cord strain relief to keep cord from breaking or tearing
- Strong and solid handle housing for trouble-free operation

2 Flexibility for your needs

- Single-speed and dual-speed models available
- Fully adjustable handle height to accommodate multiple users
- 13, 17 and 20 inch sizes available

3 Low speed machine focused on safety

- Mechanical safety interlock to prevent accidental startups
- Built-in circuit breaker to protect motor
- UL listed to U.S. and Canadian safety standards

Technical Specifications and Order Numbers.
